L'HERMITAGE

We are proud to introduce our beautiful home, L'Hermitage, located in St Peter.

We have a passion for delivering person centred care for older people. We believe that every resident deserves, and should enjoy, the best possible quality of life.

That passion is instilled into every Home where our teams are committed to supporting residents to continue to live their life to the full. That means more than providing great care; it's about working with each resident and their family to truly understand them, their wishes, needs and dreams for the future, and striving to make those dreams come true.

L'Hermitage, like all our homes, provides the latest in luxurious facilities, but it's the highly skilled and dedicated teams of care workers, nurses, support staff, specialists and managers who make the difference. They consistently go above and beyond to deliver superb care to residents – a fact that is recognised in our resident and family testimonials.

Looking for a care home is an emotional and challenging time. We have decades of experience in supporting families to make the difficult decisions. We're here for you, every step of the way, helping our residents to live the life they want, with independence, choice and dignity.

We look forward to welcoming you to our beautiful home and will be on hand to answer your questions.

"The only kind of dignity which is genuine is that which is not diminished by the indifference of others."

Home from home in the heart of Jersey

L'Hermitage benefits from a stunning location within the highly regarded L'Hermitage Retirement Village on the outskirts of St Peter.

L'Hermitage has been designed from the ground up to provide the very highest standard of nursing care. To that end, many bedrooms are fitted with specialist equipment to assist with mobility needs. The combination of state of the art care facilities with a highly trained professional staff team ensures that every resident has the resources at hand to live a full and active life.

First and foremost, L'Hermitage is home to our residents. Befitting this approach, every bedroom and communal area is furnished and decorated to the highest standard, providing an exceptional living environment. Our dedicated care staff work with each resident to meet and exceed care and amenity needs, and our hospitality services are second to none.

"To wake up every morning to such a wonderful view, well it really is quite breathtaking."

Beautiful interiors and landscaped grounds

L'Hermitage provides dedicated nursing care in a modern setting specifically designed for this purpose. The Home offers a delightful living environment that promotes independence and provides light, bright and homely accommodation.

Laid out over two floors, L'Hermitage has been designed to promote accessibility whilst retaining a true homelike feel.

L'Hermitage's interior design is delivered to the highest standard, utilising bespoke materials, with a blend of traditional fabrics, wall papers and furnishings to reinforce that 'home from home' ambience.

“Why should one's standards slip when one grows older? L'Hermitage never fails to surpass my expectation.”

"Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around."

Professional nursing and healthcare

In addition to the high level of standard provision one would expect in a home known for excellence in care, many rooms are also fitted with ceiling tracking systems which provide ease of accessibility for residents with reduced mobility. This enables us to support residents with more complex nursing needs, including individuals requiring stroke care, cancer care or those living with varying levels of Parkinson's disease, osteoporosis or musculoskeletal disorders.

However, a well-equipped home is only half the story. L'Hermitage's professional staff team have an outstanding reputation for providing the very best care in a homely and thoroughly welcoming environment.

At L'Hermitage we pride ourselves on our ability to provide comprehensive short and long term personalised care packages to meet the specific needs of each resident.

Whether one is looking for a fortnight's respite care, convalescent care over a longer period or a long term residency, the care team at L'Hermitage will meet and exceed your needs.

"It really feels as though I am part of an extended family here. There is so much warmth and friendliness."

"Don't walk in front of me, I may not follow; Don't walk behind me,
I may not lead; Walk beside me, and just be my friend."

William Arthur

Island charm with a wealth of activities

Lying on the edge of the tranquil village of St Peter, near Jersey's breathtakingly beautiful west coast, L'Hermitage enjoys all the benefits of this most loved Channel Island. Jersey's temperate climate ensures a wide range of outdoor activities are available year round for residents and family members alike.

A popular destination is Les Mielles Nature Reserve, little more than a mile to the west on the coast. The Reserve offers an abundance of walks and quiet scenic spots for a picnic.

An absolute highlight is Le Noir Pré (the Orchid Field), comprising two adjoining wet meadows and one of the last remaining strongholds of the Jersey or Loose-flowered Orchid (*Orchis laxiflora*).

L'Hermitage lies within easy reach of St Helier, which offers regular ferry services to Portsmouth, St Peter's Port Guernsey and St Malo, and is only a short distance from the island's main airport.

"This beautiful island offers all that I could ask for. It really is a jewel."

old manners, old books, old wine."

Hospitality above and beyond expectations

L'Hermitage's philosophy is to provide each of our residents with first class hospitality above and beyond the traditional expectation of a 'care home'. Our qualified Chef strives every day to produce delicious, varied menus that not only tantalise the taste buds, but fulfil individual dietary requirements.

Residents have a wide range of choice available with personal preferences always taken into consideration. Residents may also, where there are not medication

issues, enjoy a glass of sherry or wine with their meals.

We are proud to meet the Hospitality Assured Standard, which is traditionally associated with service and business excellence in the hotel industry. An organisation is only awarded this standard following a rigorous inspection process undertaken by the Institute of Hospitality.

"The hospitality
befits the location at
L'Hermitage. Mother
has never been
happier."

"I feel the capacity to care is the thing
which gives life its deepest significance."

Pablo Casals

A rewarding lifestyle

We firmly believe that a move into a care home should be a positive one, and a wide variety of activities and social opportunities are essential to a person's quality of life and fulfilment.

L'Hermitage embraces this ethos, employing a dedicated activities coordinator to create interesting, varied and meaningful activities and events programmes that incorporate initiatives both inside and outside the home. This is enhanced by creating strong links with local clubs and associations.

We organise a series of social functions throughout the year to ensure L'Hermitage is at the heart of the community, and to enable us to raise funds in support of local charities. Of course, traditional events such as resident's birthdays and anniversaries are always celebrated in style.
