

Care from the heart

ARIA CARE

MAGNA

We are proud to introduce our beautiful home, Magna, located in Wimborne.

We have a passion for delivering person centred care for older people. We believe that every resident deserves, and should enjoy, the best possible quality of life.

That passion is instilled into every Home where our teams are committed to supporting residents to continue to live their life to the full. That means more than providing great care; it's about working with each resident and their family to truly understand them, their wishes, needs and dreams for the future, and striving to make those dreams come true.

Magna, like all our homes, provides the latest in luxurious facilities, but it's the highly skilled and dedicated teams of care workers, nurses, support staff, specialists and managers who make the difference. They consistently go above and beyond to deliver superb care to residents – a fact that is recognised in our resident and family testimonials.

Looking for a care home is an emotional and challenging time. We have decades of experience in supporting families to make the difficult decisions. We're here for you, every step of the way, helping our residents to live the life they want, with independence, choice and dignity.

We look forward to welcoming you to our beautiful home and will be on hand to answer your questions.

“The only kind of dignity which is genuine is that which is not diminished by the indifference of others.”

Dag Hammarskjöld

Fine living in a unique setting

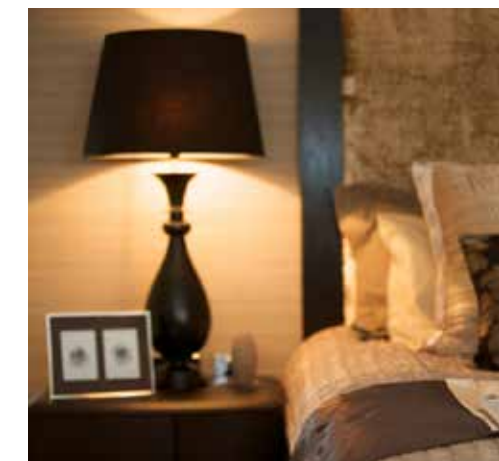

There is something special about Magna Care Centre. It could be the fact that it is located in Dorset, near Wimborne, commanding views over the beautiful local countryside, a designated Site of Specific Special Interest due to the abundance of rare flora and fauna. Perhaps it is the fact that its opulent Mediterranean architecture and exotic landscape gardens have the ability to create a truly tranquil environment.

Magna provides the very highest standards of residential and specialist nursing care for up to 65 elderly ladies and gentlemen. We believe it is all these reasons and many more that make Magna a wonderful place to live.

This bright and airy home provides state-of-the-art facilities and up-to-date equipment throughout.

Residents enjoy spacious communal areas and every room has been furnished with the very best in tasteful décor and design. Carefully designed to provide comfortable living accommodation with en-suite rooms, Magna brings the highest standard of specialised care in a home-from-home environment.

“It is so beautiful here, it can’t help but make you feel happy.”

A stunning residential home lying in rural Dorset

Magna has a warm, friendly and homely atmosphere. During the day, residents can choose to relax in one of the day rooms, where they can take tea or fresh-ground coffee and snacks at the coffee bar or be involved in one of the many activities organised by the dedicated activities coordinator.

Magna encourages an open visiting policy so that residents' loved ones may visit at convenient times. When the weather is fine, families and friends can often be found enjoying the landscaped

grounds featuring palms and exotic plants.

The home provides comfortable, bright and spacious accommodation. Each bedroom is fully equipped with a direct dial private telephone extension.

To add a special homely touch, residents are encouraged to bring treasured possessions to personalise their rooms.

"If I want to be social I can relax at the coffee bar, but sometimes I really enjoy meandering through the magical gardens"

“Don’t walk in front of me, I may not follow; Don’t walk behind me,
I may not lead; Walk beside me, and just be my friend.”

Rural life at Magna

Magna is perfectly positioned to offer all the benefits of rural living. Nearby is much of the unspoilt, timeless rural Dorset countryside that the area is famous for, including the stunning Moors Valley Country Park.

Nearby Wimborne is a picturesque English market town, its historic nature, notably a well kept Saxon Church and 16th and 17th century public houses, provide many an enjoyable day out from.

If it’s shopping you prefer, Wimborne offers something different, unlike many high streets it has kept many of its independent shops. Residents can also benefit from the Wimborne Model Town, one of the largest and most established model towns in England, depicting the town as it stood in the 1950s.

“I love being surrounded by so much history, it’s fascinating.”

old manners, old books, old wine.”

Hospitality above and beyond expectations

The Magna’s philosophy is to provide each of our residents with first class hospitality above and beyond the traditional expectation of a ‘care home’. Our qualified Chef strives every day to produce delicious, varied menus that not only tantalise the taste buds, but fulfil individual dietary requirements.

Residents have a wide range of choice available, with personal preferences always taken into consideration.

Where there are no medication issues, residents may also enjoy a glass of sherry or wine with their meals.

We are proud to meet the Hospitality Assured Standard, which is traditionally associated with service and business excellence in the hotel industry. An organisation is only awarded this standard following a rigorous inspection process undertaken by the Institute of Hospitality.

“It is like I am able to go out for dinner at a restaurant with my friends’ everyday.”

"I feel the capacity to care is the thing
which gives life its deepest significance."

Pablo Casals

Activities and social occasions

We firmly believe that a move into a care home should be a positive one, and that a wide variety of activities and social opportunities are essential to a person's quality of life and fulfilment.

At Magna we employ a dedicated activities coordinator to create interesting, varied and meaningful activities and events programmes that incorporate initiatives both inside and outside the home. This is enhanced through strong links with local clubs and associations.

We organise a series of social functions throughout the year to ensure that Magna is at the heart of the community, and to enable us to raise funds in support of local charities. Resident's birthdays and anniversaries are also always celebrated in style.

Our dedicated Activities Coordinator ensures there is always something going on, and will accommodate special interests wherever possible.

“Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around.”

Leo F. Buscaglia

Professional and flexible healthcare

At Magna we pride ourselves on our ability to provide comprehensive short and long term personalised care packages to meet the specific needs of each resident. Magna retains the services of a local general practitioner, chiropodist, optician and pharmacy to ensure that the professional nursing and healthcare team are supported to deliver continuity in every aspect of the care we provide.

The in-depth biographical work that we undertake with residents, friends, families and advocates allows us to gain a clear understanding of each resident's unique history. This investment in getting to know the people we support enables us to plan care and daily life activities that are appropriate and in line with each individual's preferences.

By providing dedicated residential and nursing care in one location, Magna offers a true care pathway. Residents can rest assured in the knowledge that, should their care needs change, they need not move to another home.

“Knowing that I have the very best care available to me, helps me to relax and get on with enjoying myself.”
