*Care from the heart*

IN HAYWARDS HEATH

ARIA CARE

We are proud to introduce our distinctive period country house, Walstead Place, set in two and a half acres of stunning gardens with fine views across the Sussex countryside.

We have a passion for delivering person centred care for older people. We believe that every resident deserves, and should enjoy, the best possible quality of life.

That passion is instilled into every home where our teams are committed to supporting residents to continue to live their life to the full.

That means more than providing great care; it's about working with each resident and their family to truly understand them, their wishes, needs and dreams for the future, and striving to make those dreams come true.

Walstead Place, like all our homes, provides excellent facilities, and what makes us unique is the highly skilled and dedicated teams of care workers, nurses, support staff, specialists and managers who make the difference. They consistently go above and beyond to deliver the best possible care to residents.

We understand that looking for a care home can be an emotional and challenging time. We have decades of experience in supporting families to make the difficult decisions, so that the whole family has peace of mind.

We're here for you, every step of the way, helping our residents to live the life they want, with independence, choice and dignity.

We look forward to welcoming you to our beautiful home and will be on hand to answer your questions.

# MAKING A DIFFERENCE

Whether you are looking to connect with new friends or have specific care, we provide high quality residential care.

Knowledge and understanding are at the heart of the care we provide. We learn about your life, for example, your career, the places you have lived, and the people who are important to you.

We work with you to understand and capture your stories, your likes and dislikes, the things that make you unique. Then we use this knowledge, and your care needs to shape your care plans. No detail is too small, right down to the number of pillows you like on your bed.

We understand that this is your home, and privacy and choice are

fundamental to ensuring your dignity. We will always ask permission to come into your room, and we will always give you choices about what you would like to do and how you would like to do it.

## A space of your own

While every bedroom is fully furnished, you are encouraged to bring your own personal pieces to make your room feel more homely. Our maintenance team will be happy to hang a favourite picture or two, to add those important finishing touches.

# FREQUENTLY ASKED QUESTIONS

**What is the ratio of staff to residents?**

As everyone’s needs vary, we will assess each individual and agree on the level of support and care required with each resident, family members, and healthcare professionals where appropriate.

**Do I have to pay extra for entertainment?**

No. The in-home entertainment, events and activities are based on the interests, preferences, and needs of residents. Therefore, we consider the range of lifestyle options available to be a part of their care planning in which good physical, cognitive, and social engagement can directly improve health and wellbeing.

**Do you offer Room Service?**

Yes we do and there is no tray charge for this service. Friends and family can join whenever you wish at a small charge.

**What are your visiting times?**

Walstead Place operates an open-door policy. Family and friends are always welcome and can see their relatives and loved ones as often as they wish.

**Can I bring my pet?**

Most pets are welcome to visit for the day by arrangement with the Home Manager.

**Who decides on the menus?**

Our Head Chef and the team have many years of cooking experience. They craft their nutritionally balanced menus using seasonal produce and are guided by the feedback provided to them from our residents during their monthly hospitality meetings and individual care plans.

**What is a care pathway?**

Care homes that provide a combination of residential, nursing and dementia care are said to offer a ‘care pathway’. Homes that offer all three are described as offering a ‘complete care pathway’. Essentially; having a care pathway can allow a resident to remain at the same home should their needs change, without having to relocate to another service.

**Why do fees vary based on duration?**

A premium is added to the cost of respite care or a short stay. These residents enjoy all the benefits on offer to those who call Walstead Place their permanent home.

MATTERS TO US

# UNDERSTANDING CARE FEES

Our range of fees are determined to ensure the safety of our residents and the comfortable running of their home.

Our fees are competitive, reviewed annually, and can vary based on individual care needs, size or aspect of room, and duration of stay.

Fees quoted are per week and include medications management, retained GP services, weight, hydration and nutrition monitoring, plus regular and varied events and activities, wellbeing support and care and nursing in line with assessed needs.

Fees are payable in advance prior to admission and comprise of up to one month's care fees and a refundable deposit.

Depending on an individual's needs some funding assistance may be available. When you visit the home please ask about the allowances and how we may help you request any funding entitlements.

## Local Authority Care Fees

Available for a resident over 65 years of age who does not have the required funds to pay for their own care. These fee levels do not meet our requirements, however it is possible for other family members to 'bridge the gap' or 'top up' any shortfall, subject to assessment.

## Attendance Allowance

This is also available for those over 65 years of age who have a physical or cognitive need and is provided at a lower or higher level, subject to assessment.

## Funded Nursing Care

This is a contribution by the NHS towards the cost of nursing care for those in a care home. A flat rate is paid directly to the home and unlike many other care providers we deduct this amount in full from our monthly invoice.

## Continuing Healthcare

This is arranged and funded by the NHS for people who are not residing in hospital and have been assessed as having a 'primary health need'. We recommend that making the decision on how to fund a care home placement is ideally done with the support of a professional advisor.

# TAILOR YOUR OWN CARE PACKAGE
